

# TRUMAN ELEMENTARY

## School Improvement Plan 2010-2011

# Goal # 1

- ★ **Student performance will improve by 2% in each tested area of the MAP**

## **Staff will analyze MAP data:**

- Item/student analysis**
- Drill down to Grade Level Expectations**
- Intensive help for struggling students**
- More grade level team collaboration**
- Provide supplemental resources**
- Use testing formats that prepare students for MAP**

# COLLABORATION

## ★ Continue Response to Intervention-Data Driven

- a. Peer Assisted Learning Strategies (PALS), **Pathways to Reading**, goal setting
- b. 25 minutes of interventions each day
- c. Progress monitoring with AIMSweb
- a. Help those who need to get to grade level, challenge those who are not

# MAP DATA

**Communication Arts: Growth: 4.1%**  
increase in students scoring  
advanced or proficient

**Math: Growth: 5.4%** increase in  
students scoring advanced or  
proficient

# MAP DATA

**First Year of School Improvement even though we improved 9.5 % overall!**

**We had one subgroup that didn't show improvement in communication arts, remained exactly the same.**

**Although in math, that same subgroup improved 7.3%!**

# Goal #2

★ **Student attendance will remain at 95% for the 2010-2011 school year.**

- a. **Daily monitoring**
- b. **Follow up calls, letters, home visits**
- c. **Contests**
- d. **Recognition for outstanding attendance**

**A good place to be!**

# Goal # 3

- ★ 85% of our students will receive positive recognition. We will keep records of student accomplishments/recognitions during the regular school day and involvement in co-curricular activities.
  - a. Continue our success as a Positive Behavior Support (PBS) school
  - b. Fight Free and Character Ed. programs
  - c. Clubs i.e.: Kids Write, Honor Choir, Outdoor Kids Club, Math Club, etc.
  - d. Accelerated Reader Recognition
  - e. Random Acts of Kindness

# Goal # 4

**Increase the use of technology in the classroom**

- a. Purchase SMARTboards for kindergarten classes and art**
- b. Utilize the CPS (clickers) system**
- c. Increase use of Study Island**
