*This is a one-day high school stu-  
dio art challenge. Students in  
grades 9-12 are encouraged to  
compete. Students will select 2D  
art or 3D art and then receive  
their challenge the day of the com-  
petition. Students need to bring  
their own supplies and will have  
four hours to complete their entry.  
Supplies could range from pencil,  
paint, found objects, digital cam-  
era, etc or the instructors may  
challenge the students with a  
specific medium. We will have  
three computers to use, as well.*
