Debbie Lemen, Communication Arts

Communication Connection

I enjoyed seeing so many of you at our Title family night and Mark Twain Trivia night. I hope you enjoyed these activities as well. It is always fun to do things with our families.

I have attached the website information sheet that we passed out at our family night. I hope you will find it informative. If you already received one, please just recycle the extra. The Raz-Kids website is currently just for first graders, so if you don't see your student's name there, that is probably the reason why. If we missed your first grader, please let us know. I am sending home a pink sheet with information on how to access it for first graders who did not receive it at conferences or during our Title night.

I am thankful for the opportunity to work with your students. I love seeing them as I go through each day. Have a wonderful Thanksgiving!
