Attend-Dance Award

By Jordan White

The attendance dance is on its way! If you have at least 95% attendance or a Bulldog Pride Award for the first and second quarters then you qualify! During school hours (yes, that means you will not go to some of your classes) there will be a DJ playing really good music in the gym and if you qualify you will get to go DANCE or you could hang will friends. If you do not qualify, work hard and stay healthy so you can go to the next Attendance Award for third and fourth quarters at the end of the year.

Veteran's Day

By Jordan White

Veteran's day is the day we honor people who have fought for our country's freedom. In the United States, thousands of soldiers die each year. You could thank these soldiers by writing a letter to them or by just simply saying "hi" when you see a soldier or veteran out in public. Remember those who were lost fighting for the United States.
