

# Albert Pujols

By Joel Simmons

People say he might be going to the Chicago Cubs, Florida Marlins, or the Texas Rangers. I'm hoping he stays with the Cards because they just won the World Series. They have a chance to win again next year with their hitting lineup and Adam Wainwright is coming back to pitch next year. Watch the paper to see what team he goes to. GO CARDS!!! Dang he's on the California Angels. He'll be getting paid \$254,000,000 for ten years.

# Athlete of the Month!

By Hannah Strain

This month's athlete is Taylor Stevens! She is in 7<sup>th</sup> grade and in Mrs. Bickford's homeroom class. She is in gymnastics on the Flip-Flop gymnastics team! Her achievement in gymnastics is that she is the best 13 years old on the beam in the state of Missouri! WOW! She does gymnastics because she has done it since she was 5 and has always loved it so she continues to compete and have fun! Shawn Johnson inspires Taylor because she is one of the best Olympian gymnasts!
